

🌐 Serbia And Montenegro 📅 September 27-28, 2024

CONFERENCE WEBSITE: <https://dap.filfak.ni.ac.rs/en/>

| About the Conference

Initially consisting of only Serbian plenary lecturers and participants, it eventually drew attendees from across South Eastern Europe and later throughout Europe, transforming the Days of Applied Psychology from a small local conference into a regional one. Serbian was the working language of the conference at its inception, but after a decade of work, the 10th Conference Days of Applied Psychology broadened its scope and became an international conference with English as the working language.
