About the Conference

7th IEEE Conference on Artificial Intelligence and Multimedia Processing
04 - 10 October 2025, Ouarzazate - Marrakech, Morocco

Scopus Indexed - ISBN:979-8-3315-4384-6 / ISSN:2327-1884

<https://www.ieee-congress.org/cist25/conferences/7th-ieee-aimp>

The 7th IEEE Conference on Artificial Intelligence and Multimedia Processing will be held within the IEEE CiSt'25 Congress, the week of October 04th – 10th 2025, Ouarzazate - Marrakech, Morocco.

Artificial Intelligence and Information processing techniques are important ingredients of modern multimedia systems. The research profile provides knowledge in hardware and software components for processing, storage, coding, transfer, and analysis of various types of multimedia information (signals, images, video and data (text or script)).

AI and Information processing has applications in communication networks, mobile ubiquitous systems, man-machine interaction, multimedia, medical informatics, security systems, biometrics, bioinformatics, and other areas of modern information society.

The main objective of the AIMP conference is to bring together researchers interested in the area of AI and the Information and Multimedia Processing to exchange the latest achievements and discuss future development related to this research area.

CHAIRS

Prof. Mohamed El Far, FSDM, USMBA, Fez Morocco

Prof. Fei Yan, Changchun University of Science and Technology, Changchun, China

Prof. Mohamed Chahhou, FS, UAE, Tetuan, Morocco

TOPICS

We solicit submissions of original ideas and papers describing significant results and developments from both researchers and practitioners in a specific range of fields addressing the following topics:

- Computational Intelligence
- Deep Learning
- Pattern recognition
- Speech and Spoken language processing
- Textual data processing
- Image and video processing
- Image, video and information indexing and retrieval

PUBLICATION

Accepted papers will be published in the proceeding and submitted to IEEE Xplore Library, Scopus

and DBLP. Furthermore, Authors of high quality papers will be invited to submit an extended version of their work for publication in a special issue/section of an international journal.

IMPORTANT DATES

Paper Submission: 09 March 2025

Acceptance Notification: 23 April 2025

Camera-ready Submission: 25 May 2025

Author's Registration: 10 June 2025

Conference Dates: October 04 -10, 2025

Please get in touch if you would like to contribute in more ways; and feel free to circulate this information among your colleagues and PhD students.

If you need more information, you can email the congress committee:

e-mail: cist@ieee-congress.org

Topics of Interest

3 topics

Research papers are invited in, but not limited to, the following areas:

- [Uncategorized](#)
- [Image & Signal Processing](#)
- [Artificial Intelligence & Machine Learning](#)

Important Dates

Oct 04

Conference Date

October 4-10, 2025
