| About the Conference

The ACS/IEEE International Conference on Computer Systems and Applications (AICCSA) is the premier conference covering all contemporary areas in computer systems and applications. It implements an international forum for academics, industry researchers, developers, and practitioners to report and share groundbreaking contributions in various IT fields that range from distributed computing to data science, security and machine learning. AICCSA 2025 will be held in Doha, Qatar. The organizing committee members are pleased to invite you to submit original contributions to AICCSA 2025 through the EasyChair submission system. Submissions may include, technical and experimental study, theoretical study, conceptual study, or a survey. All submissions will be peer-reviewed on the basis of relevance, originality, importance and clarity.

AICCS A2025 will be held in Doha, Qatar.
