| About the Conference

Dear Researcher,

Greetings of the day!

We are delighted to inform you that Department of Computer Science and Engineering, MNNIT Allahabad, Prayagraj, India is organizing "Next-Generation Networks and Deployable Artificial Intelligence" (NGNDAI-2025) to be held from 18th to 20th September 2025 at MNNIT Allahabad, Prayagraj, India.

NGNDAI-2025 is a platform that brings together researchers, industry experts, and practitioners to explore cutting-edge developments in machine intelligence, communication systems, and related technologies. NGNDAI-2025 will feature a diverse range of topics including artificial intelligence, machine learning, intelligent networks, robotics, and next-generation communication technologies such as 5G/6G and IoT. The conference has featured keynote talks, five technical sessions on different subject tracks, an industry track, the inaugural and the valedictory sessions and contributed papers.
