| About the Conference

Augmented Reality in Education (AREdu) is a peer-reviewed international Computer Science workshop focusing on research advances, applications of virtual, augmented and mixed reality in education.

Important Dates

MAY
13

CONFERENCE
DATE
**May 13,
2025**

Topics of interest

AR-Based Personalized Learning
Gamification in AR Learning
Design & Development of AR Learning Environments
Augmented Reality in STEM Education
Immersive AR for Professional Training
Augmented Intelligence in Education
AR for Special Education & Accessibility
Ethical Considerations & Challenges
AR & Emerging Technologies
The Future of AR in Education

Authors are invited to submit full (at least 10 pages) papers through the HotCRP (<https://notso.easyscience.education/aredu/2025/>) by April 10, 2025.

Submitted papers will be peer-reviewed by 3 PC members on the basis of technical quality, relevance, originality, significance, and clarity. If necessary, a third, additional reviewer will be involved. The Program Committee will use these reviews to determine which papers will be accepted for presentation at the workshop. The result of the reviewing will be announced to the submitting authors by email, along with reviewer comments, if any.

TOPICS OF INTEREST

3 topics

Research papers are invited in, but not limited to, the following areas:

Education & Learning

Uncategorized

Virtual & Augmented Reality
