

🌐 Germany 📅 November 16-19, 2026

CONFERENCE WEBSITE: <https://agiletestingdays.com/call-for-papers/>

| About the Conference

Agile Testing Days is a 4-day conference, where 800+ international agile software testers and engineers gather to learn, share, and network. We are looking for submissions for talks, workshops, hands-on sessions, bonus & active sessions and social activities. The Call for Papers for AgileTD 2026 will be open from Friday, January 30 until Sunday, March 29, 2026.

Topics of Interest include but are not limited to the following:

- Accessibility
- Agile Methodologies
- Artificial Intelligence (AI)
- Career Development
- Collaboration & Communication
- Continuous Integration/ Continuous Delivery (CI/CD)
- Dev*Ops
- Diversity & Inclusion
- Ethics in Tech
- Leadership
- Microservices & API
- Performance Testing
- Quality Coaching

Important Dates

 CONFERENCE DATE
November 16-19, 2026

Quantum Computing

Security Testing

Sustainability

Test Automation

Test Management & Strategy

Testing Techniques

Further topics can be found on the CFP webpage. Case studies are highly welcomed. You tried a testing tool that actually worked? Failed hard and learned something others should hear? Got a topic you never see on conference stages — but should?

Whether it's your first talk or your fiftieth, we want ideas with real takeaways for the software quality community.

Your story could be the one that sparks the next big conversation.
