Call for Papers: FLAIRS-38 Special Track on AI in Healthcare Informatics

Abstract Due Date: January 20, 2025

Submission Due Date: January 27, 2025

Conference Dates: May 20-23, 2025

Conference Location: Daytona Beach, Florida

Website: <https://sites.google.com/view/flairs-ai-in-health-info>

URL: <https://www.flairs-38.info/call-for-papers>

We are seeking submissions for the AI in Healthcare Informatics special track at the 37th International FLAIRS Conference (<https://www.flairs-38.info/home>). This special track focuses on AI in Healthcare Informatics. The goal of this track is to provide a venue for researchers to disseminate important and novel work in that area and to bring such research to the diverse AI community that FLAIRS attracts.

Papers and contributions are encouraged for any work relating to AI in Healthcare Informatics.

Important Dates

MAY
20

CONFERENCE
DATE
**May 20-23,
2025**

Topics of interest may include (but are in no way limited to):

- Large-language models for healthcare
- Deep learning and healthcare
- Predictive modeling in healthcare
- Public health monitoring and predictions
- AI and telemedicine
- Immersive healthcare tools
- Healthcare decision support
- Medical image processing
- Machine learning and data mining in healthcare
- Precision medicine

Questions regarding the track should be addressed to: Doug Talbert at dtalbert@tntech.edu.

TOPICS OF INTEREST

2 topics

Research papers are invited in, but not limited to, the following areas:

Artificial
 Intelligence &
Machine Learning

Medicine &
Healthcare
