| About the Conference

Dear Colleagues,

The 1st International Conference on **computational intelligence** Approaches and Applications 2025 (ICCIAA 2025) invites researchers, professionals, and students to submit their original and innovative work for presentation at the conference.

This event will be held on April 28-30, 2025, at the University of Petra in Amman, Jordan. It is jointly organized by the University of Petra, Jordan, and Al-Mustaqbal University, Iraq.

Please consider submitting your papers by January 1, 2025. Accepted papers will undergo a peer-review process and will be included in IEEE Xplore.

Topics of Interest

We welcome submissions on a wide range of topics of computational intelligence, including but not limited to:

- **Artificial Intelligence**: Applications in **cybersecurity**, healthcare, finance, **education**, transportation, agriculture, **energy**, and more.
- **machine learning**: Techniques, models, and

algorithms for data analysis, prediction, and decision-making.

- **robotics** and **automation**: Innovations in automating tasks, improving efficiency, and enabling new capabilities.
- **natural language processing**: Language understanding, translation, and generation.
- **computer vision**: Image processing, recognition, and interpretation.
- **big data** Analytics: **data mining**, large-scale data processing, and insights extraction.
- Intelligent Systems: Adaptive, responsive, and self-optimizing systems.
- Evolutionary Computing: Optimization techniques inspired by natural processes.
- Emerging Technologies: Latest advancements in **neural networks**, deep learning, and AI-driven solutions.

Submission Guidelines

- Paper Length: Papers must not exceed 6 pages, including all figures, tables, and references. Papers can be extended to a maximum of 8 pages, with a fee for each additional page beyond 6. Submissions exceeding 8 pages will be automatically rejected.
- Format: Submissions should follow the IEEE conference paper format.
 - o IEEE templates in MS Word, here
 - o Latex Formatting (e.g., Overleaf)
- Papers must be written in English.
- Only original unpublished contributions are solicited for presentation.
- Plagiarism in any form will lead to the rejection of the paper.
- Simultaneous submissions (papers already

submitted to other conferences/journals) are not allowed.

- Papers not presented at the conference will be marked as "No-Show" and not included in the publication.

Submission Platform

Papers should be submitted through the conference's online submission system, <https://edas.info/N32978>

Review Process

All submissions will be peer-reviewed by at least two reviewers. Accepted papers will be submitted for inclusion into IEEE Xplore subject to meeting IEEE Xplore's scope and quality requirements.

Important Dates:

- Submission Deadline: January 1, 2025
- Notification of Acceptance: February 1, 2025
- Camera-Ready Submission: February 15, 2025
- Registration Date: March 1, 2025
