## | About the Conference

The IEEE **Engineering** in Medicine and Biology Society (IEEE-EMBS) Malaysia Chapter is pleased to announce the 9th IEEE-EMBS Conference on **biomedical engineering** and Sciences (IECBES2026). Year 2026 marks the Malaysia chapter's 14th year of commitment to recognizing and featuring research frontiers in biomedical engineering and sciences in its flagship conference.

As the premier biomedical engineering and sciences conference in this region, we have carefully established strategic partnerships with key authorities and figures in the field to share cutting-edge research and innovation to facilitate and push boundaries in biomedical engineering and sciences research. The conference has come a long way since its inception in 2010.
