

| About the Conference

Business, Commerce and Management Studies conferences will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications of Business, Commerce and Management Studies. The International Conference on Business, Commerce and Management Studies ICBCMS is a platform for researchers, scientists, scholars, students and industry professionals from around the world to present their current research, and foster alliances with peers. The goal of this Conference is to bring together researchers and practitioners from academia and industry to focus on understanding Modern of Business, Commerce and Management concepts and establishing new collaborations in these areas. Authors are solicited to contribute to the conference by submitting articles that illustrate research results, projects, surveying works and industrial experiences that describe significant advances in the areas of Business, Commerce and Management.
