CONFERENCE WEBSITE: <http://www.mipro.hr/>

| About the Conference

SUBMIT YOUR PAPER AND/OR EVENT FOR THE 48th ICT AND ELECTRONICS CONVENTION MIPRO 2025!

MIPRO 2025 is anticipated to be one of the leading international gatherings focused on "Smart and Intelligent ICT for the Future". This event continues to be a hub for cutting-edge information, communication, and electronic technologies, connecting them with multidisciplinary innovations.

MIPRO brings together ICT associations and creators across the region, serving as a collaborative hub for knowledge exchange, technological advancement, and the development of professional relationships. As the world transitions to a digital society, MIPRO provides a platform to promote smart ICT solutions that can help shape a sustainable, intelligent future.

We welcome you to submit your scientific, technical, and review papers to any of our conferences:

- AIS - Artificial Intelligence Systems
- BIS-BDP - Business Intelligence Systems and Big Data Processing

Important Dates

JUN
02

CONFERENCE
DATE
**June 2-6,
2025**

- CE - Computers in Education
- CIS - Cyber and Information Security
- CTI - Telecommunications & Information
- DC-CPS - Distributed Computing and Cyber-Physical Systems
- DE-DS - Digital Economy and Digital Society
- DS-BE - Data Science and Biomedical Engineering
- EE - Engineering Education
- HCI - Human-Computer Interaction
- ICTLAW - Information and Communication Technology Law
- MEET - Microelectronics, Electronics and Electronic Technology
- OPHO - Optoelectronics and Photonics
- PM - Project Management
- SIDE - Smart Industries and Digital Ecosystems
- SSE - Software and Systems Engineering
- SP - MIPRO Junior - Student Papers

This is an opportunity to showcase your research and professional work results. We expect scientific and professional contributions, including papers from PhD students, professional students, new researchers, specialists, and engineers involved in development, production, and marketing. We also welcome contributions that describe technical, software, and hardware solutions, as well as papers from experts in education and educational technologies. Specifically, we invite leaders of scientific, research, information, and European technological and other projects to share their accomplishments and expertise. We encourage anyone in science, education, business, and public administration to present their findings.

In addition to scientific and technical sessions,

MIPRO 2025 also offers seminars, workshops, roundtables, and panel discussions, fostering a holistic experience for participants. A traditional exhibition will showcase the latest ICT systems and electronic innovations, with opportunities for commercial presentations and demonstrations.

If you have ideas, events, or commercial presentations, that can enhance the program, please reach out to us at mipro@mipro.hr. Together, we will drive the mission of creating an inclusive and intelligent ICT future.

Welcome to the 48th MIPRO 2025 in beautiful and hospitable Opatija, the city of tourism, culture, science, top events, and pleasant and useful get-togethers.

IMPORTANT DATES:

Abstract submission: 16 December 2024

Full-paper submission: 3 February 2025

Acceptance notification: 21 March 2025

Camera-ready submission: 7 April 2025

The early bird deadline is 19 May 2025.
