## | About the Conference

PEED2025 invites the submission of original and significant research papers to be published in the conference proceedings. Each submission is anonymously reviewed by an average of three independent reviewers, to ensure the final high standard and quality of submitted papers.

Accepted papers will be published by IEEE, which will be sent to included by IEEE Xplore, EI, Scopus.

Contributions are sought in the following areas:

Emerging Transmission and Distribution Technologies

Power Electronics for Power Transmission and Distribution

Distributed Generation & Smart-grid

Modeling and Simulation in Power Electronics

Intelligent Electronic Systems

Micro-electromechanical System (MEMS)

Power Electronic Emerging Technologies

### Important Dates

MAR  
07

CONFERENCE  
DATE  
**March 7-9,  
2025**

Power Electronics Devices and Converters

Battery Status Monitoring

Materials for Electrical Machines and Power Electronics

Techniques for Advanced Power Semiconductor Devices

Diagnosis and Fault Prediction in Electric Drives

Virtual Power Plants

Intelligent Charging and Discharging Management of Electric Vehicles

Power Device Modeling and Device Drivers

Motor Drives & Motion Control

Electrical Machines and Drive Systems

Predictive Control Methods for Electrical Drives and Power Converters

Development of Multiphase Motors and Drives

Novel Materials and Superconductivity Applications

Modeling, Simulation, Analysis, Design and Implementations of the Application of Power Circuit Components

Big Data and Artificial Intelligence in Energy  
Conversion

Renewable Energy Technologies

Important Dates

Submission Deadline: November 30, 2024

Acceptance Deadline: December 31, 2024

Registration Deadline: January 31, 2025

Submission Guidelines

-Authors must make sure that their submissions do not substantially overlap any work which has been published elsewhere or simultaneously submitted to journals or other conference proceedings.

-All submitted papers should be focused on one of the conference topic areas.

-The submission file is in Microsoft Word, PDF, or WordPerfect document file format.

-All URL addresses in the text (e.g., <http://pkk.suu.ca>) are activated and ready to click.

-All submissions should be written in English with a varying length from 4 to 8 pages including figures and references.

-All submissions should strictly follow the Paper Template on the website.

-All submissions must be sent to Submission English Version or Chinese Version. For avoiding submit repeatedly, please do select one method only.

 **TOPICS OF INTEREST**

2 topics

Research papers are invited in, but not limited to, the following areas:

Electrical &  
 Electronics  
Engineering

Uncategorized
