## | About the Conference

WAIMLAp 2026

Workshop on Artificial Intelligence and Machine Learning Applications

(November 18-20, 2026 | Lima, Peru)

weblink: <https://waimlap.org/>

Organized by the Artificial Intelligence Research Group at PUCP (IA-PUCP)

Call For Papers

WAIMLAp 2026 invites original contributions related to methods, models, and applications of Artificial Intelligence and Machine Learning, including (but not limited to) the following areas:

- Novel architectures and techniques in Artificial

## Intelligence, Machine Learning, and Deep Learning

- AI in Remote Sensing
- Generative AI
- AI in Smart Cities and Smart Industry
- AI in Robotics
- AI in Social Sciences
- Interpretability and Explainability of AI models
- Applications in computer vision, natural language processing, and complex data analysis
- Spatio-temporal modeling
- Ethical, regulatory, security, computational, and generalization challenges in AI

## Paper Submission Guidelines

We welcome original research papers, critical reviews, and applied works (6 to 8 pages, including abstract and references).

All research submissions must be written in English.

Submissions must be in PDF, formatted with the Springer Publications format.

Details and templates on the Springer style, are available at

<https://www.springer.com/gp/computer-science/lncs/conference-proceedings-guidelines>

All accepted papers will be presented either in oral sessions or poster sessions during the workshop.

All accepted papers will be included in the workshop proceedings.

Accepted and presented papers will be published in the Advances in Computer Science Applications and Research (ACSAR) series by Springer, subject to final approval and quality standards. The ACSAR series is indexed in major scientific databases.

### Full Paper Submission System

Submissions will be handled through the Springer Meteor submission system, available at at

<https://meteor.springer.com/WAIMLAP>

### Important Dates

Paper submission deadline: June 15, 2026

Notification of acceptance: August 15, 2026

Camera-Ready submission (accepted papers):  
September 15, 2026

#### **TOPICS OF INTEREST**

3 topics

Research papers are invited in, but not limited to, the following areas:

machine learning

artificial intelligence

generative ai

## **Venue Information**

## **LIMA - PERU**

Special conference rates often available near the venue.
