

| About the Conference

Dear Colleagues,

We are pleased to announce the Call for Papers for the Computing Conference 2025, scheduled to take place from 19-20 June 2025 in London.

The conference aims to bring together researchers, scholars, practitioners, and experts from around the world to share their insights, discoveries, and research outcomes. We invite you to submit your original research papers, posters, and proposals on a wide range of topics within the realm of computing, including but not limited to:

- High-Performance Computing
- Quantum Computing
- Data Science and Analytics
- Cloud Computing and Distributed Systems
- Cybersecurity and Privacy
- Emerging Technologies in Computing
- Natural Language Processing and LLMs
- Artificial Intelligence and Machine Learning
- Computer Vision and Image Processing

Important Dates

**JUN
19**

CONFERENCE
DATE
**June 19-20,
2025**

Intelligent Educational systems and e-Learning
Ambient Intelligence and IoT

Important Dates - Round 2:

Full Paper Submission Deadline: 15 November
2024

Notification of Acceptance: 15 December 2024

Camera-Ready Paper Submission: 15 January 2025

Conference Dates: 19-20 June 2025

Proceedings will be published in Springer series
"Lecture Notes in Networks and Systems" and
submitted for consideration to Web of Science,
SCOPUS, INSPEC, WTI Frankfurt eG, zbMATH and
SCImago.

Submissions will undergo a rigorous double blind
peer-review process by an esteemed panel of
experts, ensuring the highest academic and
technical standards. Detailed submission
guidelines and conference updates are available
on our official website at
<https://saiconference.com/Computing>.

Looking forward to your valuable contributions to
the Computing Conference 2025.

Sincerely,

Kohei Arai

Program Chair

Computing Conference

 **TOPICS OF INTEREST**

2 topics

Research papers are invited in, but not limited to,
the following areas:

Computer Science
◦ & Software
Engineering

Artificial
◦ Intelligence &
Machine Learning
