Call for Papers: CS&SE@SW 2024

7th Workshop for Young Scientists in **computer science** & Software **engineering** (CS&SE@SW 2024)

December 27, 2024, Kryvyi Rih, Ukraine

About the Workshop

The Workshop for Young Scientists in **Computer Science & Software Engineering** (CS&SE@SW) is a peer-reviewed computer science workshop focusing on research advances and applications of information technologies. The vision of CS&SE@SW is to provide an expert **environment** for young researchers who are at the beginning of their careers to present and discuss the most recent ideas and early results of research projects.

Topics of Interest

We invite submissions on a wide range of topics in computer science and software engineering, including but not limited to:

Important Dates

DEC
27

CONFERENCE
DATE
**December
27, 2024**

Software Engineering

- Software requirements
- Software design
- Software construction
- Software testing
- Software maintenance
- Software configuration management
- Software engineering management
- Software development process
- Software engineering models and methods
- Software quality
- Software engineering professional practice
- Software engineering economics
- Computing foundations
- Mathematical foundations
- Engineering foundations

Theoretical Computer Science

- Data structures and **algorithms**
- Theory of computation
- Information and coding theory
- Programming language theory
- Formal methods

Computer Systems

- Computer architecture and **computer engineering**
- Computer performance analysis
- Concurrent, parallel and distributed systems
- Computer networks
- **databases**

Computer Applications

- Computer graphics and visualization
- Human-computer interaction

- Scientific computing
- **Artificial Intelligence**

Submission Guidelines

Authors are invited to submit full papers (at least 6 pages) through the HotCRP system (<https://notso.easyscience.education/cssesw/2024/>) by December 2, 2024.

Primary Requirements

1. Submissions should be:

- Basically correct and sound
- Original (not published elsewhere partly or in full and not submitted to other venues for simultaneous consideration)
- Presented at the workshop (at least one author of each article should attend the workshop)
- Strictly in line with the scope of the workshop

2. Authors utilizing language models (**llms**) to aid in idea generation or drafting of papers should explicitly disclose their usage, providing complete transparency about the **LLM** employed (including name, version, model, and source) within the submitted paper.

3. Authors must ensure citations enhance value, remain unbiased, support relevant points, and avoid superfluous references.

4. Please disclose any potential conflicts of interest in the acknowledgments section when you submit your article.

5. Authors are encouraged to refer to the Committee on Publishing Ethics (COPE) for all aspects of publication ethics (<https://publicationethics.org/>) and to conform to the ethical rules described on <https://ceur-ws.org/ACADEMIC-ETHICS.html>.

Formatting

CS&SE@SW uses the one-column CEURART style for the proceedings. Authors should use the LaTeX class file and follow the LaTeX guidelines for their submissions. The template can be downloaded from the workshop website.

Important Dates

- Submission Deadline: December 2, 2024
- Notification Due: December 23, 2024
- Final Submission Deadline: January 15, 2025
- Registration Due: December 26, 2024
- Workshop Day: December 27, 2024

Review Process

Submitted papers will be peer-reviewed by 2 Program Committee members on the basis of technical quality, relevance, originality, significance, and clarity. If necessary, a 3rd, additional reviewer will be involved. The Program Committee will use these reviews to determine which papers will be accepted for presentation at the workshop.

Publication

Accepted papers shall be submitted to the long-year workshop sponsor CEUR-WS.org for online publication.

Contact

For any questions or inquiries, please contact:

Andrii Striuk, +380-68-9030013,
andrey.n.stryuk@gmail.com

We look forward to your submissions and to seeing you at CS&SE@SW 2024!

TOPICS OF INTEREST

2 topics

Research papers are invited in, but not limited to, the following areas:

Computer Science
& Software
Engineering

Uncategorized
