2025 during the registration process.

LECTURERS:

Each Lecturer will hold up to four lectures on one or more research topics.

Yuki Asano, University of Technology Nuremberg, Germany

Pierre Baldi, University of California, Irvine, CA, USA

Lucas Beyer, OpenAI, Zürich, Switzerland

Sam Buchanan, Toyota Technological Institute at Chicago, USA

Floris Geerts, University of Antwerp, Belgium

Sven Giesselbach, Fraunhofer Institute - IAIS, Germany & Telecom Systems

Chin-Wei Huang, Microsoft Amsterdam, The Netherlands

Vicky Kalogeiton, École Polytechnique Paris, France

Thomas Kipf, Google DeepMind, USA

Yi Ma, University of California, Berkeley, USA

Abigail See, Google DeepMind, London, UK

Michal Valko, Meta Paris, France

More Speakers TBA

TUTORIAL SPEAKERS:

Druv Pai, University of California, Berkeley, USA

Yaodong Yu, University of California, Berkeley, USA

Peng Wang, University of Michigan, Ann Arbor, USA

CERTIFICATE & 8 ECTS:

The International Artificial Intelligence Summer School - IAISS 2025 is a full-immersion five-day Summer School at the Riva del Sole Resort & SPA (Castiglione della Pescaia - Grosseto - Tuscany, Italy) on cutting-edge advances in AI and Generative AI with lectures delivered by world-renowned experts. The Summer School provides a stimulating environment for PhD students, Post-Docs, junior academics (only up to assistant professors), early career researchers, and industry leaders (and highly motivated, promising and brilliant Master students / BSc students).

Participants will also have the chance to present their results with talks, and to interact with their colleagues, in a convivial, professional and productive environment.

PhD students, PostDocs, Industry Practitioners and Junior Academics (only up to assistant professors) will be typical profiles of the IAISS attendants. The Summer School will involve a total of 36-40 hours of lectures, according to the academic system the

final achievement will be equivalent to 8 ECTS points for the PhD Students (and some strongly motivated Master Student – BSc Student) attending the Summer School.

Language: English.

To participate in the IAISS 2025, all attendants must

(1/2) register for the school (by March 23, 2025) and

(2/2) book accommodation at the school venue, “Riva del Sole Resort & SPA” (by July 23, 2025); all attendants must stay at the “Riva del Sole Resort & SPA”.

Once accommodation has been booked at “Riva del Sole Resort & SPA”, the participant must send this information (including the Booking Number) to the IAISS organizing committee (iaiss@icas.cc).

IAISS is a residential school, so all lecturers and participants must reside in the same Hotel (Riva del Sole Resort & SPA). No exceptions are made.

For privacy reasons, the Hotel cannot match people. If you have someone to share the apartment with, please send to the Hotel (booking.events@rivadelsole.it) the name, surname and email address. Otherwise the solution is to book an apartment in single use. IAISS is organized as a non-profit scientific event.

Please note that only IAISS registered participants

can book a room (in hotel or apartment) at the Riva del Sole Resort & SPA with the accommodation form attached in the registration email and with the IAISS Discounted Rates. The Booking Office of the Riva del Sole Resort & SPA will verify the names of the participants and the corresponding registration number to confirm the booking.

Anyone interested in participating in IAISS 2025 should register as soon as possible:

<https://2025.iaiss.cc/registration/>

See you in Riva del Sole in September!
