

🌐 China 📅 March 25-28, 2025

CONFERENCE WEBSITE: <https://www.icacworkshop.cn/en.html>

| About the Conference

★Full Name: Workshop on IC Advances in China
ICAC 2025

★Abbreviation: ICAC 2025

Date: March 25-28, 2025

Website: <https://www.icacworkshop.cn/en.html>

Venue: Shenzhen, China

The goal of the ICAC Workshop is to build a platform for the academia and industry people in China to have more open technical discussions, and to generate possible collaborations, and to brainstorm new ideas and directions. Therefore, we are gathering the top Chinese IC design scholars/engineers who published ISSCC and/or JSSC in the past one year, and try to attract more attendees from the IC industry.

We hope the workshop speakers and audiences produce chemical reactions, as well as electrical resonances as our logo shows. To this end, language should not be a problem. This workshop uses both Chinese and English. This workshop does not publish papers, and the oral speakers are by invitation only.

Important Dates

MAR
25

CONFERENCE
DATE
**March 25-
28, 2025**

★Organized by

Tsinghua University

Fudan University

University of Electronic Science and Technology of
China

University of Macau

Peking University

Southeast University

The Hong Kong University of Science and
Technology

★Hosted by

Hua-Xin Technology Center

★Committees

【Conference Chairs】

Yan Lu, University of Macau

Chixiao Chen, Fudan University

Qiang Li, University of Electronic Science and
Technology of China

【Technical Program Committee Chairs】

Nan Sun, Tsinghua University

Pui-In Mak, University of Macau

Jiawei Xu, Fudan University

Yongpan Liu, Tsinghua University

Dixian Zhao, Southeast University

Linxiao Shen, Peking University

Yihan Zhang, The Hong Kong University of Science
and Technology

★Student Poster Session

In order to further encourage exchanges among
students in the field of chip design, ICAC 2025 will
set up a student poster session in addition to the
invited talks. Students who are interested are

welcome to attend and display. The best student poster award will be selected and presented at the conference. Students who participate in the poster session will receive an excellent participation experience.
