

🌐 China 📅 August 1-3, 2025

CONFERENCE WEBSITE: <http://www.icbip.org>

| About the Conference

Full name: 2025 10th International Conference on Biomedical Signal and Image Processing (ICBIP 2025)

Abbreviation: ICBIP 2025

2025 10th International Conference on Biomedical Signal and Image Processing (ICBIP 2025) will be held in Chengdu, China during August 1-3, 2025. ICBIP 2025 is sponsored by the University of Electronic Science and Technology of China, and supported by Sichuan University, Soochow University, Guangxi University, Lomonosov Moscow State University, and Xi'an Jiaotong-Liverpool University.

In the past eight years, ICBIP papers have been published in ACM International Conference Proceedings, archived in ACM Digital Library, indexed by Ei Compendex and Scopus.

Conference Website: <http://www.icbip.org>

Publication and Index :

1. International Conference Proceedings, indexed by Ei Compendex and Scopus, and submitted to be

Important Dates

3, 2025**

reviewed by Thomson Reuters Conference Proceedings Citation Index (ISI Web of Science).

2. Journal of Image and Graphics (JOIG, ISSN: 2301-3699), which will be included in Scopus, Google Scholar, Crossref, CNKI, etc.

It is required that each paper should be presented in the conference in oral or poster. One Best Oral/Poster Presentation will be selected from each session and the Award will be announced at the end of each session.

Academic visit (Pending):

To further enhance academic exchanges and practical experiences, ICBIP 2025 may add an academic visit based on the conference's actual arrangements..

Call For Paper:

Topics included but not limited to the follows. More can be found at: <http://icbip.org/cfp.html>

1. Biomedical Signal Processing

- Bioelectric signal (EEG/ECG/EMG/EGG/ERG)
- Biomagnetic signal (MCG/MEG)
- Biochemical signal
- Biomechanical signal
- Bioacoustic signal

2. Biomedical Imaging and Image Processing

- Medical image analysis
- MR image reconstruction
- CT image reconstruction, radiomics
- Biomedical imaging, image processing & visualization
- Image measurement and acquisition

- Molecular imaging
- Segmentation and 3D visualization
- Image segmentation

3. Other Related Topics

- Bioinformatics
- Biostatics
- Biometric
- Biomechanics
- Biomathematics
- Biophysics
- Biomedical robotics and mechanics
- Medical big data

Call for Invited Speakers:

Research Area: Biomedical Signal and Image Processing

Presentation Format: 20-25-minute English presentation

Participation Mode: Online or Offline

Application Materials: Please submit your bio (within 200 words) and a photo to the conference email: icbip@cbees.net. Upon successful application, your information will be updated on the conference website.

*Both submission and registration must follow the procedures for invited speakers. Upon successful application, the conference will provide partial financial support.

Call for Special Sessions:

To complement the regular conference schedule and focus on emerging topics in the field of biomedical signal and image processing, ICBIP

2025 welcomes proposals for special sessions from experts and scholars. Please submit your proposals to: icbip@cbees.net.

The proposal should include the following content:

1. Title of Special Session
2. Brief description of Special Session
3. Related topics
4. Name, Affiliation, E-mail, Short biography of the organizers
5. List of five to six contributed papers (including titles, authors, contact information of the corresponding author, and a short abstract).

Submission and Contact Methods :

Electronic Submission System:

<http://confsys.iconf.org/submission/icbip2025>

E-mail: icbip@cbees.net

Tel: +852-3500-0799 (English)/+86-28-86528465
(Chinese)

Wechat ID: CBEES-BBS

Conference Secretary: Ms. Jamila Liu

ICBIP 2025 can provide a platform for academic communication in Biomedical Signal and Image Processing and related areas. We welcome you to submit your recent research findings or to attend the conference as delegates. For more conference information, please visit the conference website: <http://www.icbip.org/>.

 **TOPICS OF INTEREST**

4 topics

Research papers are invited in, but not limited to, the following areas:

☺ Image & Signal Processing

☺ Biomedical & Health Informatics

☺ Mechanical engineering

☺ Biotechnology & Life Sciences
