## | About the Conference

IEEE | ICIVC 2025 the 10th International Conference on Image, Vision and Computing

★ Full name: IEEE--2025 the 10th International Conference on Image, Vision and Computing (ICIVC 2025)

★ Abbreviation: ICIVC 2025

★ Website: <http://icivc.org/>

★ Date: July 16-18, 2025

★ Held in: Chengdu, China

★ Co-sponsored by Sichuan University, China and IEEE; organized College of Electronics and Information Engineering, Sichuan University, China.

You are invited to present ICIVC 2025 - 2025 the 10th International Conference on Image, Vision and Computing which will be held during July 16-18, 2025 in Chengdu, China.

ICIVC will be an ideal platform for scholars, researchers and professionals to exchange insights and discuss the development of image, vision and computing. It will be a perfect gathering to learn about new perspectives, technologies and trends

- About Chengdu -

Sichuan Province is located in the southwest of China and is a region of diverse geography and rich culture. It is bordered by Shaanxi Province to the north, Chongqing City to the east, Yunnan and Guizhou to the south, and the Tibet Autonomous Region to the west. The terrain of Sichuan is dominated by mountains and basins, among which

the most famous is the Sichuan Basin. This region has a mild climate and fertile land, making it one of China's important agricultural areas. Sichuan is also known as the "Land of Abundance," a name that comes from its rich natural resources and beautiful scenery.
