Conference Summary:

The International Conference on Pure and Applied Mathematics has been successfully held for the last thirteen years in various locations: Paris (2012), Moscow (2013), Madrid (2014), Rome (2015), London (2016), Prague (2017), Budapest (2018), Brussels (2019), Online (2020 & 2021), Bratislava (2022), Porto (2023), and Zagreb (2024). The support and participation of our members and scholars have made it possible for the 14th ICPAM to be held in Riga, Republic of Latvia, from July 15-18, 2025.

This remarkable event brings together professors, researchers, scholars, and students in the field of Pure and Applied Mathematics, making the conference a perfect platform to share experiences, foster collaborations across industry and academia, and evaluate emerging technologies worldwide.

ICPAM 2025 will feature renowned keynote speakers, oral presentations, poster sessions, and technical conferences related to the topics addressed in the Scientific Program, as well as social events.

We welcome your participation!

Publication: Selected papers will be published into International Journal of Applied Physics and Mathematics (IJAPM), ISSN: 2010-362X, which is indexed by Copernicus, IET INSPEC, CNKI, Chemical Abstracts Services (CAS), Nanowerk Database, Google Scholar, EBSCO, etc.
