| About the Conference

IEEE 2025 4th International Conference on Cloud Computing, Big Data Application and Software Engineering(CBASE 2025)will be held on October 24-26, 2025 in Chengdu, China.

Conference Website: <https://ais.cn/u/v2eQfy>

---Call for papers---

The topics of interest for submission include, but are not limited to:

Track 1: Machine learning, image processing, artificial intelligence, pattern recognition, network security, computer vision, deep learning, natural language processing, etc.;

Track 2: Cloud computing technology/application, intelligent computing, edge computing, embedded computing, neural network computing, blockchain, computational modeling, etc.;

Track 3: Application of big data in various industries, data analysis, data mining, big data protection, data storage, big data and Internet of Things, serial data, etc.;

Important Dates

 **CONFERENCE DATE**
October 24-26, 2025

Track 4: Software engineering, software technology, software development, programming, network engineering, game development, etc.

---**Speakers**---

Yanguo Jing, FBCS, MIEEE, MIET, PFHEA, CMBE,
Leeds Trinity University, UK

Hong Zhang, Fellow of Canadian Academy of
Engineering, Fellow of IEEE, Southern University of
Science and Technology, China

Zihai He, Fellow of IEEE, Southern University of
Science and Technology, China

---**Publication**---

All papers, both invited and contributed, the
accepted papers, will be published for inclusion
into Conference proceedings with meeting scope
and quality requirements, and also submitted to
IEEE Xplore, EI Compendex and Scopus for
indexing.

All conference proceedings paper can not be less
than 4 pages.

---**Important Dates**---

Full Paper Submission Date: September 30, 2025

Registration Deadline: October 18, 2025

Final Paper Submission Date: October 18, 2025

Conference Dates: October 24-26, 2025

--- **Paper Submission**---

Please send the full paper(word+pdf) to
Submission System:

<https://ais.cn/u/v2eQfy>

Research papers are invited in, but not limited to, the following areas:

⦿ Computer Science
& Software
Engineering

⦿ Data Science &
Analytics

⦿ Networking &
Cloud Computing

⦿ Artificial
Intelligence &
Machine Learning
