## | About the Conference

**2025 5th International Conference on Information Technology and Cloud Computing (ITCC 2025)**

**Location: Shanghai, China**

**Dates: May 23-25, 2025**

**Website: <http://www.itcc-conf.net/>**

**E-mail: [itcc\\_conf@163.com](mailto:itcc_conf@163.com)**

**Conference Format: Online and In-person**

2025 5th International Conference on Information Technology and Cloud Computing (ITCC 2025), will be held during May 23-25, 2025 in Shanghai, China. ITCC 2025 is to bring together leading academic scientists, research scholars and researchers to share and exchange their experiences and research results about all aspects of Information Technology and Cloud Computing. It would also provide a premier interdisciplinary forum for researchers, practitioners and educators to present and discuss the most recent innovations, trends, concerns, practical challenges encountered and the solutions adopted in the field of Information Technology and Cloud Computing.

**Topics:**

 **Important Dates**

**MAY 23**

CONFERENCE DATE  
**May 23-25, 2025**

Information Theory  
Artificial & Computational Intelligence  
Control Theory  
Signal & Image Processing  
Pattern Recognition  
Data Mining  
Communications and Networking  
Cloud and grid computing for big data  
Cloud Application Architectures  
Cloud Middleware Frameworks  
Cloud Optimization and Automation  
Cloud Solution Design Patterns  
(For more topics: <http://www.itcc-conf.net/topics.html> )

**Paper Publication and indexing:**

All registered and presented papers will be included in Conference Proceedings, **published by IEEE, archived in IEEE Xplore and indexed by Ei Compendex, Scopus, CPCI and other important databases.**

\*History:

ITCC 2024 Conference Proceeding have already been published by ACM (ISBN: 979-8-4007-1675-1), archived in ACM Digital Library and indexed by EI and Scopus within one month after published.

ITCC 2023 Conference Proceeding have already been published by ACM (ISBN:979-8-4007-0070-5), archived in ACM Digital Library and indexed by EI and Scopus within one month after published.

ITCC 2022 Conference Proceeding have already been published and archived in IEEE Xplore (ISBN:978-1-6654-6910-4) and indexed by EI and Scopus within one month after published.

ITCC 2021 Conference Proceeding have already been published by ACM (ISBN:978-1-4503-8969-3),

archived in ACM Digital Library and indexed by EI and Scopus within one month after published.

**ITCC 2025 Speakers:**

Prof. Yonghui Li, ARC Future Fellow, IEEE Fellow,  
The University of Sydney, Australia

Prof. Zheng Yan, FIEEE, FIET, FAAIA, FAIIA, Xidian  
University, China

Prof. Hesheng Wang, Shanghai Jiao Tong  
University, China

Prof. Jie YANG, Shanghai Jiao Tong University, China

Prof. Witold Pedrycz, IEEE Life Fellow, University of  
Alberta, Canada

Prof. Xiangjie Kong, Zhejiang University of  
Technology, China

Prof. Zhiquan Liu, Jinan University, China

**Paper Submission (Choose one way to submit your paper):**

1. Submission System:

<https://cmt3.research.microsoft.com/ITCC2025/>  
(Recommend)

2. Email Submission: [itcc\\_conf@163.com](mailto:itcc_conf@163.com)

**You are also welcome to join us as:**

As Presenter: If you want to share you latest research results by giving presentation without publish papers, please submit your abstract (300-400 words)

As Listener: You are also warmly welcomed to take

part in ITCC 2025 as a listener even though you have no paper to submit.

As Reviewer: To ensure the fairness and guarantee the quality of ITCC 2025, we cordially invite experts and scholars join us as a reviewer.

**Contact us:**

Conference Secretary: Ms. Jasmine Lei

Email: [itcc\\_conf@163.com](mailto:itcc_conf@163.com)

Tel: +852 95096877

Website: <http://www.itcc-conf.net/>

 **TOPICS OF INTEREST**

4 topics

Research papers are invited in, but not limited to, the following areas:

Computer Science  
& Software  
Engineering

Data Science &  
Analytics

Multidisciplinary  
& General

Networking &  
Cloud Computing
