| About the Conference

2025 5th Power System and Green Energy Conference (PSGEC 2025)

Aug. 20 to 23, 2025 | Hong Kong, SAR, China
<https://www.psgec.org>

2025 5th Power System and Green Energy Conference (PSGEC 2025) will be held in Hong Kong from Aug. 20 to 23, 2025. PSGEC 2025 is co-organized by Shanghai Jiao Tong University and City University of Hong Kong, technically sponsored by IEEE Hong Kong Section and Shanghai University of Electric Power.

● Publication & Indexing

1) All the accepted and presented papers will be submitted for inclusion into conference proceeding subject to meeting the publisher's scope and quality requirements. The publisher will submit articles to Engineering Village, Scopus, Web of Science and other databases for review and indexing after publication.

2) Selected papers with great extension will be recommended to publish in international journals.

Important Dates

 **AUG 20**
CONFERENCE DATE
August 20-23, 2025

PSGEC 2023/2022/2021 has all been indexed by EI Compendex.

See more indexing info. <https://psgec.org/pub.html>

● CFP Topics

included but not limited to

AI Applications in Power Systems

Diagnostics & Condition Monitoring

Distributed Generation

Electrical Machines and Transformers

Electricity Market and Power System Economics

Energy Storage, Fuel Cell Technologies, and Trends

Electrical Vehicles, Grid to Vehicle (G2V) and

Vehicle to Grid (V2G)

Energy Efficiency

Energy Management

High Voltage Systems

HVDC and FACTS Devices

Industrial Automation and Control

Modelling and Simulation

Modeling Cyber-physical Smart Grids and Demand

Response Management

Power Electronics and Drives

Power Engineering Education

Power Quality (PQ)

Power System Operation and Planning

Power System Reliability

Power Systems Control & Protection

Renewable Energy including Modelling, Operation,
Control and Integration

Safe and Resiliency through Community-Scale

Micro-Grids

Solar Power Systems, Energy and Water

Management and Sustainability

Smart Grid Development

Sustainable Energy Technologies

Transmission and Distribution

●Paper Submission

You can submit your full paper through electronic submission system:

<https://cmt3.research.microsoft.com/PSGEC2025>

●Notes

1. Manuscripts must be written in English;
2. The manuscript should be written in accordance with the standard of template;
3. The paper should be no less than 5 pages and no longer than 10 pages;
4. Plagiarism is prohibited;
5. Duplicate submission is prohibited;

●Call for participants

1,Presenter: As presenter, you need to submit the abstract and title of your presentation before register. For further information, please contact us at: psgec@vip.163.com

2,Listener:You are welcome to attend this great event. You need to complete the registration as Listener before the registration deadline.

3,Reviewer: We sincerely welcome professors, associate professors, teachers and other experts in these areas join the conference as a reviewer. Welcome to send email to psgec@vip.163.com for further information.

●Contact Us:

For all general questions, please contact

Ms. Chou

Email: psgec@vip.163.com

Cellphone: +86-17723329879

WeChat: APISE17358663189

Website: <https://www.psgec.org/>

 **TOPICS OF INTEREST**

2 topics

Research papers are invited in, but not limited to, the following areas:

Energy & Power
Systems

Electrical &
Electronics
Engineering
