

**Submission Deadline: 15th March, 2026**

CONFERENCE WEBSITE: <https://ismis2026.univ-lyon1.fr/>

### About the Conference

ISMIS 2026 - Industry Session - CALL FOR PAPERS  
28th International Symposium on Methodologies for Intelligent Systems  
July 22 - 24, 2026  
Lyon, France  
<https://ismis2026.univ-lyon1.fr/>

=====  
Paper submission deadline: March 15, 2026  
=====

We invite you to submit papers to the ISMIS'2026 Industry Session. The session is part of the ISMIS'2026 conference, which will be organized on July 22-24, 2026.

Industry session in a nutshell

Submission date: March 15, 2026  
Submission website: <https://easychair.org/conferences?conf=ismis2026>

#### Scope and Objectives

The session will be devoted to the applications of various intelligent methods, algorithms, and tools related to Artificial Intelligence and Big Data in industry. The aim of this session is to create a forum for exchange of ideas between the leading researchers and industry practitioners. Submissions should address practical problems and/or business applications and should be innovative. Architectures, tools, and practical implementations related to the topics described below are also

#### Important Dates

MAR 15	PAPER SUBMISSION <b>15th March, 2026</b> Closed
APR 10	NOTIFICATION <b>10th April, 2026</b>
APR 28	FINAL VERSION DUE <b>28th April, 2026</b>
JUL 22	CONFERENCE DATE <b>July 22-24, 2026</b>

of interest to this session.

#### Topics of Interest

Topics of interest include (but are not limited to) the following:

LLMs/SLMs for industry : Models and methods (RAG applied to technical documentation, multimodal models (text + sensor data + images), fine-tuning on maintenance corpora, ...)

Applications of Intelligent Information Systems

Big Data

Cloud Computing

Context-aware Computing

Cybersecurity

Exploratory Data Analysis

Knowledge Discovery and Data Mining

Knowledge Visualization

Aerospace Applications

Medical Applications and Bioinformatics

Mobile Applications and Collaborative Mobile Space

New Approaches to Database and Knowledge Management Systems

Spatial Data Analysis

Recommendation Systems

Social Networks

Web Technologies

#### Paper Submissions

Authors are invited to submit their original unpublished papers that demonstrate current research on one of the session topics of interest. Industry session papers should be prepared in PDF using the Springer LNCS/LNAI style (10-15 pages) and submitted via ISMIS 2024 Online Submission System. All submitted papers will be reviewed by ISMIS PC members.

#### Publications of papers

Accepted papers will be published in the edited post-conference book published in the Springer Series Studies in Computational Intelligence.

#### Important dates

All deadlines are at 11:59pm in the Anywhere on Earth timezone.

Paper Submission: March 15, 2026  
Notification of Acceptance: April 10, 2026  
Camera-ready version: April 28, 2026

#### Camera-Ready instructions

All the information for the Camera-Ready Instructions is available on the C4P page, please make sure to follow them for Industry sessions papers: <https://ismis2026.univ-lyon1.fr/call-for-papers.html>

#### Committees

Industry session co-chairs :  
Vincent Lemonde, Omundu.AI, France  
Allel Hadjali, LIAS-ENSMA, Poitiers, France

Program Committee (industry session) :  
TBA

## | Venue Information

### **Lyon, France**

Special conference rates often available near the venue.
