## | About the Conference

### **4<sup>th</sup> International Conference on NLP, Data Mining and Machine Learning (NLDML 2025)**

**January 23 ~ 24, 2025, Virtual Conference**

Registered authors are now able to present their work through our online platforms

#### Important Dates

 CONFERENCE DATE  
**January 23-24, 2025**

## Scope & Topics

**4<sup>th</sup> International Conference on NLP, Data Mining and Machine Learning (NLDML 2025)** will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications of Natural Language Computing, Data Mining and Machine Learning. It will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications of Natural Language Computing, Data Mining and Machine Learning. The Conference looks for significant contributions to all major fields of the Natural Language Computing, Data Mining and Machine Learning in theoretical and practical aspects.

Authors are solicited to contribute to the conference by submitting articles that illustrate research results, projects, surveying works and industrial experiences that describe significant advances in the following areas, but are not limited to these topics only.

**Topics of interest include, but are not limited to, the following**

- Argumentation Mining and Applications
- Big Data & Business Intelligence
- Corpus Analysis
- Data Mining Foundations & Applications
- Deep Learning, Neural Languages and NLP
- Information Extraction, Retrieval
- Knowledge Processing
- Machine Learning Applications
- Machine Learning in knowledge-intensive systems
- Machine Learning Methods and analysis
- Machine Learning Problems
- Natural language and Ubiquitous Computing
- Natural Language in Conceptual Modeling
- NLP techniques for Ambient Intelligence
- NLP techniques for Internet of Things (IoT)
- Question Answering (QA)
- Semantic Processing & NLP
- Semantic Web, Open Linked Data, and Ontologies
- Social Media and Web Analytics
- Text Mining

## **Paper Submission**

Authors are invited to submit papers through the conference **Submission System** by **January 04, 2025**. Submissions must be original and should not have been published previously or be under consideration for publication while being evaluated for this conference. The proceedings of the conference will be published by **International Journal on Cybernetics & Informatics (IJCI)** series (Confirmed).

Selected papers from **NLDML 2025**, after further revisions, will be published in the special issue of the following journals.

- **International Journal on Natural Language Computing (IJNLC)**
- **International Journal of Web & Semantic Technology (IJWeST)**
- **International Journal of Ubiquitous Computing (IJU)**
- **International Journal of Data Mining & Knowledge Management Process (IJDMP)**

- **International Journal of Ambient Systems and Applications (IJASA)**
- **Machine Learning and Applications: An International Journal (MLAIJ)**
- **International Journal on Computational Science & Applications (IJCSA)**
- **Advances in Vision Computing: An International Journal (AVC)**

## Important Dates

**Submission Deadline** : **January 04, 2025**
