| About the Conference

IEEE | 2025 the 8th International Conference on Pattern Recognition and **Artificial Intelligence** (PRAI 2025)

★Important Information

Full name: IEEE--2025 the 8th International Conference on Pattern Recognition and **artificial intelligence** (PRAI 2025)

Abbreviation: PRAI 2025

Conference Website: <http://www.prai.net>

Conference dates: August 15-17, 2025

Conference Venue: Guiyang, China

The 8th International Conference on Pattern Recognition and Artificial Intelligence (PRAI 2025) will take place in Guiyang, China, from August 15 to 17, 2025. This event is sponsored by Guizhou University, China.

PRAI 2025 serves as a platform for showcasing outstanding research and addressing the new challenges in the fields of pattern recognition and artificial intelligence, particularly in terms of

reliability and availability. It will bring together experts from industry, government, and academia, all of whom are experienced in **engineering**, design, and research.

The conference will feature a comprehensive program that includes keynote speeches and regular paper presentations. Your contributions and participation are essential to making this event a success. Notably, exceptional presentations will be recognized with awards. We look forward to your involvement!

★Conference Publication

Accepted papers will be published in PRAI 2025 Conference Proceedings.

* PRAI 2024 conference proceedings was submitted to IEEE for publication, and will be EI Compendex & Scopus indexed soon.

* PRAI 2023 conference proceedings is archived in IEEE Xplore and indexed by EI Compendex & Scopus 4 months after the conference.

* PRAI 2022 conference proceedings is archived in IEEE Xplore and indexed by EI Compendex & Scopus 2 months after the conference.

* PRAI 2021 conference proceedings is archived in IEEE Xplore and indexed by EI Compendex & Scopus 2 months after the conference.

For details about publication history, please via <http://www.prai.net/history.html>

★Call for Paper

Track 1. Pattern Recognition and **machine learning**

Track 2. Multiagent System and Robot Vision

Track 3. Image, Speech, Signal and Video Processing

Track 4. Artificial Intelligence and Smart Healthcare

Track 5. Unmanned Systems and Intelligent Perception

Track 6. Intelligent Detection, Tracking and Recognition

Track 7. Biomedical Signal Processing and Applications

Track 8. Intelligent Manufacturing and **data mining**

Track 9. Internet of Things and Optimization **control**

Track 10. Regional **energy** and Smart Grids

Track 11. Smart Agriculture and **remote sensing**

Track 12. Metaverse, Virtual Reality and Digital Twin

For details about topics, please via

<http://www.prai.net/cfp.html>

Welcome to Submit Your Proposal (Deadline: May 25, 2025):

<http://conference123.mikecrm.com/LDk7Bmu>

★Submission

Papers submitted to the conference should be in English and within 4-12 pages.

- Accepted Full Paper will be invited to give the presentation at the conference and it'll be published in the conference proceedings.

- Accepted Abstract will be invited to give the oral presentation at the conference, but the presentation WILL NOT be published.

→Submission System:

→Email Submission Address:

praiconf@outlook.com

*Paper Latex Template: <http://www.prai.net/ieee-conference-latex-template.zip>

*Paper word Template:

<http://www.prai.net/instruct8.5x11x2.doc>

More detail about submission, please via

<http://www.prai.net/sub.html>

★PRAI Awards

*Best Paper Award

*Best Application Award

*Excellent Paper Presentation Award

*Outstanding Paper Nomination Award

More detail about Awards, please via

<http://www.prai.net/awards.html>

★Conference Schedule

Day 1, August 15, 2025 Registration,collecting conference materials & Tutorial / Lab Visiting

Day 2, August 16, 2025 Opening Ceremony & Keynote Speech & Parallel Sessions

Day 3, August 17, 2025 Invited speech & Parallel Sessions

★Conference Venue |

★Introduction of Guiyang, China

Guiyang is the capital of Guizhou Province in

China, located in the southwest region of the country. It is renowned for its unique geographical position and rich natural resources. Surrounded by mountains, Guiyang enjoys a mild and humid climate, with an average annual temperature of around 13°C, making it a suitable place to live. The city is home to diverse ethnic cultures, including various minority groups such as the Miao and Dong, with vibrant traditional customs and festivals.

Guiyang has experienced rapid urban development, where modern cityscapes blend harmoniously with natural beauty. The city center boasts numerous shopping centers, restaurants, and entertainment venues, attracting many visitors. The famous Huaguoyuan shopping center is one of the largest urban complexes in Asia, showcasing Guiyang's bustling atmosphere.

Additionally, Guiyang serves as a gateway to major tourist attractions in Guizhou Province, such as the Huangguoshu Waterfall and Xijiang Qianhu Miao Village. In recent years, Guiyang has focused on developing its **big data** industry, emerging as a national hub for this sector, attracting numerous tech companies and investments. Whether in terms of natural scenery or cultural heritage, Guiyang is full of exploration opportunities.

 **TOPICS OF INTEREST**

3 topics

Research papers are invited in, but not limited to, the following areas:

 Mechanical engineering

 Robotics & automation

 Artificial Intelligence & Machine Learning
