About the Conference

2025 5th International Conference on Robotics and Control Engineering (RobCE 2025)

May. 7-10, 2025 | Linköping, Sweden

<https://robce.org/>

2025 5th International Conference on Robotics and Control Engineering (RobCE 2025) will take place in Linköping, Sweden during May 7-10, 2025, which is co-organized by Southeast University and Hong Kong Polytechnic University. Focusing on the international research and key application domains of robot and control engineering, around the theme of innovative development of intelligent society, RobCE is going to conduct high level academic communication and display the latest achievements, build the international collaborative innovation platform.

We warmly welcome prospective authors to submit your research papers to RobCE 2025, and share your latest research results and valuable experiences with other top-scientists, engineers and scholars from all over the world.

●Publication & Indexing

Selected papers with high quality, which are presented on conference, will be recommended to publish in the international journals.

RobCE 2024/2023/2022/2021 both indexd by Ei Compendex!

●CFP Topics

Topics of interest for submission include, but are not limited to:

Track I: Robot perception, navigation and control

Track II: Telerobot control

Track III: Autonomous robot

Track IV: Industrial robot control

Track V: Human and robot interactive control

Track VI: Control theory and application in robot

Track VII: Novel Robots Design and Analysis

Track VIII: Rehabilitation and Medical Robot Technology

●Paper Submission

Electronic Submission System: <https://cmt3.research.microsoft.com/RobCE2025>

●Notice

1. The manuscript must be written in English;
2. The manuscript should be written in accordance with the standard of template;
3. The topics of manuscript should be relevant to conference topics;
4. The manuscript should be no less than 8 pages (Single column-Word) or 5 pages (Double columns-LaTex);
5. Plagiarism and duplicate submission are prohibited;
6. Innovation and scientific value are a must.

●Call for participants

1, Presenter: If you are interested in giving presentation on conference, without publishing your paper in the proceeding, you need to submit the abstract and title of your presentation to us:

info_robce@vip.163.com

2, Listener: You are welcome to attend this great event. You need to complete the registration as Listener before the registration deadline. Send email to us for further information.

3, Reviewer: We sincerely welcome experts in the areas above join the conference as reviewer.
