

| About the Conference

Dear colleagues,

We are pleased to announce that SyntaxFest 2025 (<https://syntaxfest.github.io/syntaxfest25/>) will take place in Ljubljana, Slovenia, from 26 to 29 August 2025. SyntaxFest is a biennial event that brings together a series of events focusing on topics such as empirical syntax, linguistic annotation, statistical language analysis, and natural language processing.

SyntaxFest 2025, organized by the University of Ljubljana, will host five events under a unified submission process and program:

TLT: 23rd Workshop on Treebanks and Linguistic Theories

DepLing: 8th International Conference on Dependency Linguistics

UDW: 8th Universal Dependencies Workshop

IWPT: 18th International Conference on Parsing Technologies

Quasy: 2nd Workshop on Quantitative Syntax
