## | About the Conference

Unite explores is glad to announce the "3rd Edition of Unite Scientific Aging Conference (USAC-2025)" which is going to be held during April 21-22, 2025 in Vienna, Austria. We are heartily open to the invitation to Participants who are involved and working on Aging.

USAC-2025 consists of multiple presentations, interesting breakout sessions, and demonstrations. Scientists, Professors, Doctors, academicians, and industry clients from around the world who belonged to the aging research are participating. Submissions from a variety of fields and perspectives are welcomed and encouraged. The focused disciplines, including aging, Geriatrics, Gerontology, sociology, and psychology, will ensure an active and exciting opportunity to expand our gerontological understanding.
